JOHNSON, PINES AND DORSEY RESPIED.

As stated in the Gazette of that day a last plea for the lives of the three negroes convicted of the murder of Walter F. Schulz was made yesterday by Attorney Lewis H. Machen.

Two petitions were presented to the governor, together with a number of affidavits, which were taken on Monday night. One of the petitions asks that the sentence of the men be commuted to life imprisonment and the other asks that the execution be postponed until after the trial of Henry Smith, and negro who turned state's evidence, and whose case has been continued till the December term of the Corporation Court. Mr. Machen spent an hour with Gov. Swanson yesterday pleading for the prisoners and for a stay of execution until after the trial of Henry Smith. Mr. Machen had another conference with the governor today after which he telegraphed to this office stating that the governor had resented Calvin Johnson, Richard Pines and Eugene Dorsey until January 14.

Johnson was to have been electrocuted on Friday next, Pines on the 26th and Dorsey on December 3. The case of Henry Smith, who turned state's evidence and upon whose testimony the three other men were convicted, when last called in the Corporation Court, was continued till the December term. Should he be tried at that time there may be some revelations in the case. Smith, it is claimed by the three men convicted and by their friends, was the principal in the murder of Schulz and that Johnson, Dorsey and Pines took but second part in the murder. This, however, is doubted by the Commonwealth.

A despatch received this afternoon from the Gazette's regular correspondent from Richmond, says: Calvin Johnson, Richard Pines and Eugene Dorsey three negroes from Alexandria under death sentence will not die in the electric chair this year. Governor Swanson after going over partly the voluminous record and papers today resented the men till January 14. Former Senator Lewis H. Machen counsel for the men was informed of this action.

DEATH OF C. N. ORRITENTON.

Charles N. Orrinton, of New York, known as the millionaire founder of the Florence Orrinton rescue homes for girls, died in San Francisco last night of pneumonia. He was ill less than a week. He was 76 years old.

Mr. Orrinton founded 78 rescue homes in this country and several in Japan and China, which he named in memory of his daughter Florence.

Mr. Orrinton was on a tour, visiting the many rescue homes throughout the country and arrived in San Francisco ten days ago.

He was senior member of the firm of Charles N. Orrinton & Co., wholesale druggists, New York.

The story of the beginning of the rescue work among women is interesting. The death of Mr. Orrinton's daughter, Florence, a child four years and four months old, led to it, that sorrow having brought about a revolution in his life.

Mr. Orrinton was born on a farm in Jefferson county, N. Y. There he remained till the age of 20, when he went to New York. He started as an office boy to a student, became a traveling salesman and eventually found himself at the head of a great mercantile business of his own. Mr. Orrinton was well known in this city where he lived in 1903-4 at the residence on Oronoco street east of Washington. With the aid of Mrs. Kate Barrett he established a rescue home on Duke street in this city, but later removed it to Washington.

ARRANGING FOR TRANSPORTATION.

The committee on transportation of the Alexandria Chamber of Commerce and about forty men who are employed at the Washington navy yard and the Fifth-Sterling Steel Works at Galesburg and who reside in this city held a conference last night at which preliminary steps were taken to provide transportation between Alexandria and those points.

Mr. Edward S. Gimble, of Washington, owner of the gasoline boat Marlin Gimble, attended the meeting.

The members of the committee and the others present visited the foot of Cameron street, where the boat was lying, and inspected it. The accommodations proved to be satisfactory in every particular, and arrangements will be made to place the boat on the route by the first of December, at which time the tugboat Bartholdi will be withdrawn.

Mr. E. M. Birrell was appointed to make arrangements with the Alexandria navy yard for the boat, and Mr. L. R. Evans was selected to interview employees at the steel works who reside in this city. Each of these gentlemen were authorized to appoint others as committee to aid in this work.

A tentative schedule was agreed upon and other arrangements made for the operation of the boat.

There will be another meeting next Monday night at which final arrangements will be made.

DEBATE AT THE LYCEUM.

A largely attended and interesting meeting of the Young Men's Social Lyceum was held last evening when the question, "The advantages and disadvantages of borrowing money," was debated.

Messrs. M. C. Boone and Frank Nugent took the affirmative side, and Messrs. J. McFarland and James Riche the negative side of the debate.

Each debater was allowed ten minutes and at the end a vote was taken, the affirmative side being given the decision.

Two new members were elected and arrangements were completed for the minstrel show which will be given by the Y. M. S. L. Minstrel Club, under the direction of Tom Trodden Jr., at the Lyceum Hall on Monday and Tuesday, Nov. 22nd and 23rd inst.

ANOTHER CUTTING.

A one-eyed negro named Noah Green yesterday afternoon became incensed at a colored woman named Alice Reddick because she refused to cook some oysters for him and attacked her with an oyster knife in a house in the northeastern section of the city. The woman was cut seriously on her right arm as to require the services of Dr. Hopkins, who took five stitches in the wound.

Officers Ferguson, Talbot and Sampson, after several hours' search, located Green and locked him up. This morning he was brought before the Police Court and fined \$50 and given six months in jail.

Wm. Williams, another negro, was before Police Court this morning charged with wielding an oyster knife and attempting to use it on Charlotte Williams, also colored. Williams had previously assaulted a colored man named Wm. Golins. He was fined \$10.

There have been two cutting cases in Alexandria in two days, Frank Brooks, colored, having cut Lorenzo Chase, colored, and a white man in a south Pitt street saloon on Monday night.

AMUSEMENTS.

Again last night the Opera House was well filled to witness what is best in vaudeville in the hands of John T. McOaslin, the king of entertainers. The acts were entirely new and well worth the price of admission. If one really wants first-class entertainment the Opera House is the place to visit, especially while McOaslin and his troupe of stars are performing.

At the surprise the crowd was filled with wonder and amazement last night at the feats performed by the marvelous mind reader. There seems to be nothing difficult for her to foretell. Tonight, again, in addition to other prominent features, this celebrated character will delight and at the same time astound those who visit this theatre by her wonderful performance. It is a treat to witness her many acts.

MASONIC.

A large number of Alexandria Masons last night paid a fraternal visit to National Lodge No. 12, of Washington. The occasion was the annual visitation of the officers of the Grand Lodge of the District of Columbia. The Master Mason degree was conferred upon a candidate by the officers of Alexandria Washington Lodge, which it is said was done in a most impressive manner. The degree work conformed in every detail to the ritual of the Virginia jurisdiction, dispensations for the purpose having been granted by the grand master of both Virginia and the District of Columbia. After the work the visitors were handsomely entertained at a buffet supper. The Alexandria Masons returned home after midnight.

POLICE COURT.

[Justice H. B. Eaton presiding]

The following cases were disposed of this morning: Noah Green, colored, charged with cutting Alice Reddick, was fined \$50 and given six months in jail.

Wm. Williams, colored, charged with assaulting Charlotte Williams, also colored, was fined \$10.

Alice Page, colored, charged with drunken and disorderly conduct and abusing an officer while in the discharge of his duty, was fined \$5.

DEATH OF AN OLD SUBSCRIBER.

On November 4th, after a short illness Miss Lucy Peyton, daughter of the late Benjamin Peyton, died at her home near Washington, Republikaonock county. She was eighty-nine years old and is survived by two sisters, Miss Sarah Peyton and Miss Henrietta Peyton. In a note to this office a niece of Miss Peyton says: "I judge that she was one of our oldest subscribers, having taken the Gazette for about half a century. She always preferred it to any daily and never subscribed to any other paper."

CIVIL SERVICE EXAMINATIONS.

Civil service examinations will be held in this city as follows: December 14-15—Library assistant, Department of Commerce and Labor; assistant, Naval Observatory; assistant geologist, Geological Survey December 15—General machanic at Yankton, S. D. and Nett Lake, Minn. and Junior Annual Husbandman, Department of Agriculture, second class steam engineer, National Museum.

SOCIAL.

The Council of Jewish Women held a very enjoyable social session last night. In the absence of the president, Mrs. A. Kaufman presided and delivered a very interesting lecture. Besides the home talent there were two young ladies from Washington present—Miss Anna Rubin, a very popular singer, and Miss Ida Ullman, a violinist. After the entertainment refreshments were served and all experienced a pleasant evening.

PROPERTY SALES.

Mr. John D. Normoyle, real estate agent, has sold for Mr. James Deane the three-story frame dwelling No. 219 north St. Asaph street to Mr. S. Ashby Blades and deed for said property was admitted to record in the clerk's office of the Corporation Court this morning.

Mr. George W. Davis has sold to Mrs. Annie T. Atwell three houses and lots on the south side of Queen street between Columbus and Alfred.

YOUNG MEN'S SENATE.

There was a well attended and interesting meeting of the Young Men's Senate last night. It was determined to hold a pound party next Tuesday to hold a benefit of the poor of the city. On this occasion there will be a debate on the advisability of barring football from the schools and colleges of the country.

POPULAR SHOE HOUSE.

The shoe firm of John A. Marshall & Bro., is one of Alexandria's stable institutions. In the first place you can rely on what the firm recommends and the quality of goods handled by them is of the best. A partial line in their large and varied stock are the Lindner shoe for ladies; the Hess, the Walkover and the Regal shoes for men; the Solid Comfort the Red Cross shoes for ladies; the Goodyear Gold Seal Rubber Boots and other lines too numerous to mention. Constant treatment of customers is one of the fundamental principles of the firm and combined with the handling of nothing but the best for the money, this store has gained an extensive business.

The Hess, the Walkover, the Regal Shoes for Men. J. A. Marshall & Bro., 422 King street.

PERSONAL.

Mr. J. W. Hammond became seriously ill at his home in this city last night. He was easier this morning, but his condition is still causing anxiety.

Miss Courtney Greenough at her home on King street last night entertained a number of her friends at a linen shower given in honor of Miss Mary Dent, whose marriage to Mr. Roy A. Parker, of Maryland, will take place Wednesday evening, November 24, at the residence of the bride-elect's aunt, Mrs. George A. Mushbach, on Washington street. The occasion was a most enjoyable one and the "shower" was quite profuse.

Among the Alexandrians registered in Richmond yesterday were Mayor Paul and Mr. L. H. Machen.

Mr. J. E. Oton is at Battle Creek, Mich., on legal business.

Dr. W. W. Yen, of the Chinese legation, left Washington last night for New York, to take the steamer Lusitania for London. He goes to join the foreign office in Peking. Dr. Yen is well known here. He was a student at the Episcopal High School not many years ago.

The new Masonic Temple in Baltimore, was yesterday dedicated with solemn services by the greatest gathering of Master Masons ever assembled in any city in this country and probably in the world. Judge Orady, of Philadelphia, was the orator of the occasion. Among those present at the exercises was Mr. H. K. Field, of this city.

Judge Louis O. Barley, of Alexandria, and Mr. W. C. Oralg, of Deerfield, left here yesterday for Highland county on business.—Harrisonburg Times.

Mr. A. W. Altheimer, who has been seriously ill, is very much improved.

WOMAN'S AUXILIARY.

A well-attended meeting of the Woman's Auxiliary to R. E. Lee Camp was held in Confederate Veterans' Building last night, the president, Mrs. E. H. O'Brien, presiding. The meeting was in the interest of the annual oyster supper given by the association and the reports from the members were most encouraging. The supper will be held in Confederate Veterans' Building on the evening of Thursday, December 2, and the proceeds will be devoted to the monument fund, which fund keeps in condition and repairs the monument. It is hoped that all interested will attend the affair where they will not only enjoy a delightful supper, but will aid the Woman's Auxiliary in the care of the beautiful monument which is such a source of pride to all and an ornament to the city.

BASKETBALL.

Tonight at Armory Hall the A. L. I. basketball teams will play the quintus from the Y. M. S. L. This arrangement is a little out of the ordinary, owing to the fact that there will be two games played during the course of the evening. The first game will be between the A. L. I. second quint and the Y. M. S. L. Jrs., and is expected to be a very fast game, but the second game between the first teams of the A. L. I. and Y. M. S. L. will be the game that will attract the attention of the basketball fans. Both teams are very evenly matched and in their practice game a few weeks ago the score was very close and the possibility of another close game is expected to attract a very large crowd.

THE MACABEES.

Alexandria Tent, K. O. T. M., No. 2, held a very interesting meeting on Monday night which was very largely attended. The degrees of the order were conferred on one candidate. Four applications for membership were received. Officers were nominated for the year 1910. The Macabees are said to be the strongest fraternal insurance order in existence. They number about 375,000 and have a surplus of nearly ten million dollars and have paid death claims of thirty million dollars.

ACCIDENT TO AN ALEXANDRIAN.

During the high wind about ten o'clock this morning Mr. John B. Padgett, of this city, was painfully injured by being struck by a falling sign board in Washington. Mr. Padgett was walking along the street when the wind came out from the west and tore the sign loose from its fastenings and in falling to the sidewalk it struck him, cutting his head and leg. He was later brought to his home in this city.

PYTHIAN CONVENTION.

Oriental Lodge, Knights of Pythias, met in regular convention last night. For some weeks the Pythians here have been contemplating a public meeting, and there was a full attendance of members, all of whom manifested interest in the affair. The entertainment will be in charge of Past Chancellors Ernest R. Boyer, H. Friedlander, M. R. Norris, W. A. Cooney, and A. J. Baycher.

PLANTING POLES.

The placing of telephone poles on portions of Prince and Patrick streets was in progress this morning but against the protest of some property owners. While digging a hole at the southwest corner of Prince and Patrick streets a gas pipe was severed and the gas was accidentally ignited which caused some excitement until the flow was cut off and the pipe temporarily repaired.
